## **Liability for material defects and extended warranty**

### **1. Liability for material defects**

We grant the legal liability for material defects [warranty] on material and workmanship for all Lightweight products. Within this period we will replace defective products without any costs for the user.

The liability period begins with the first purchase of the corresponding Lightweight product and is not transferable.

Our liability does not extend to damages resulting from normal wear and tear, accidents, improper modifications, negligence or improper handling and use.

Our liability is also excluded if any repairs or other modifications to Lightweight products have been carried out by persons not authorized by us. Furthermore, we are not liable for indirect or consequential damages resulting from the above paragraphs.

## **2. Extended manufacturer's warranty**

In addition to the statutory warranty, we grant a free extension of the warranty on material and workmanship in the form of a manufacturer's warranty for a total of five years on all disc-braked wheels with a purchase date from 01 July 2020.

The manufacturer's warranty starts on the day after the legal warranty expires and ends five years after the date of purchase of the Lightweight product. The manufacturer's warranty is limited to the initial purchase and is not transferable.

Our manufacturer's warranty does not cover damage resulting from normal wear and tear, accidents, improper modifications, negligence or improper handling and use, nor does it cover wearing parts such as the ball bearings.

Our warranty is also excluded if repairs or other interventions on Lightweight products have been carried out by persons not authorized by us.

Furthermore, we are not liable for indirect or consequential damages resulting from the above paragraphs.
